Next week's message

About Next Week: In the week ahead today's triumphant entry leads to the clearing of the money changers in the temple, the last supper, the master becoming the servant in washing their feet, the prayer in the garden, betrayal, arrest, Peter's denial, trial before Pilate, beating, the stations of the cross, Calvary, death and the tomb. It's the last week of Jesus: the end of the rebel, the counter culture, the new Way, the end of the uprising... or so everyone thinks!.

PASTOR'S THOUGHTS FOR THE WEEK

Leading to April 1

M - Cheering crowds, worried Romans, amazing entry, great hope – and He follows that up with starting a fight at church... who is this guy?

T - Our expectations often predict our reactions. What happens when our expectations aren't met?

W - Earth's saddest day and gladdest day were just – *three days apart*. Hope lives!.

TH - How often do we, like Peter, deny our relationship, hide our faith, shy away from being identified with the Christ?

F - In my darkest moments.. When all seems lost, You are at my side.

S - When everything is lost, and all seems darkness, then comes the new life and all that is needed.
